**Remark:**

No calibration certificate for the weighing scale could be provided, and no empty bags could be provided for tare weight checking. Declared by cargo agent that the tare weight of bag was 3.0 kilogram each.

Considering above situation, a Letter of Reserve was issued by SGS inspector and countersigned by representative of cargo agent at site.

As per the instruction from the principal, SGS conducted the inspection for nominated cargo, without performing vessel loading or discharging supervision. Therefore, the contents of this report/certificate only reflects our findings at the time and place of inspection, and does not refer to any cargo that was shipped from or will be received at any port.
